

MAPCON Feature Comparison Chart

Feature Overview

	LITE version	PROFESSIONAL version
Software-as-a-Service (We host it for you)	●	●
Local Server or Workstation (Runs on your server)	●	●
Web-Enabled Rich Internet Application (Not a Website)	●	●
Smartphones, Tablets, (iPhone, iPad, Android, etc.) *8	●	●
Barcode label printing from any workstation *9	●	●
Document & Image Attachments *2	●	●
MS Excel Importing for quick startup *3	●	●
Quick Setup Wizard	●	●
MS Active Directory Integration (Single Sign-On) *2	●	●
Tool Control *1	●	●
Multiple Sites (Enterprise)	●	●
User-Friendly Report Generator *3	●	●
MAPCON Business Intelligence Reporting Tool	●	●
Automatic Email Notifications	●	●
Checklists *1	●	●
Interface Module to connect to other applications *10		●
Graphical Dashboards *2		●
Drag-and-Drop Menu Generator *3		●
System Scheduler (auto run reports, PM's etc.) *2		●
Web Service API (Interface with MAPCON) *8		●
Maintenance Management	LITE version	PROFESSIONAL version
Email Work Requests (POP3)	●	●
Complete Preventive Maintenance Control	●	●
Work Orders / Work Requests	●	●
Comprehensive Work Flow: Requests, Orders, Dispatch	●	●
Service Billing - bill selected activities *7	●	●
Calendar-Based Work Order Scheduling and Dispatch *6	●	●
Employee Timecard Management *6		●
Project Management *1		●
Safety Procedures		●
Eqp, PM & Safety Procedure Audit Control (ISO, QS, JCO) *1		●
Work Order/PM Labor/Materials Planning		●
Asset Management	LITE version	PROFESSIONAL version
Lubrication and Inspection Routes *1	●	●
Meter and Gauge Readings		●
Equipment *1 & Location Hierarchies		●
Asset Priorities (RCM)		●
Equipment Warranty Tracking		●
Storeroom Management	LITE version	PROFESSIONAL version
Cycle Counting/Physical Inventory Counts *4		●
Manual Reorder of Parts *4		●
Automatic Reordering of Spare Parts *4		●
Purchasing Management	LITE version	PROFESSIONAL version
Purchase Orders *5/Requests	Requests	●
Receiving, Receipt Returns and Invoicing *5	Receiving	●
Multi-Level Approvals *5		●
Currency Exchange *5		●
Invoice Reconciliation *5		●

* Feature is part of an Advanced Module

Feature Detail

General	LITE version	PROFESSIONAL version
Multi-User (concurrent user licensing)	●	●
Sortable Lookups with filtering	●	●
MS Excel Import ^{*3}	●	●
Document & Image Attachments ^{*2}	●	●
Standard Reports	50+	300+
Email Reports	●	●
Generate Reports to Excel and PDF	●	●
Report Generator ^{*3}	●	●
Sortable/Filterable Lookups on most fields	●	●
3 Menu Interfaces (Tile, Explorer, and Button)	●	●
Preset Security and Group Profiles	●	●
Manage multiple sites in different time zones	●	●
MAPCON Business Intelligence Reporting Tool	●	●
In-Product Video Tutorials	●	●
Scalable and Editable Security		●
Editable Group Profiles		●
System Scheduler (auto run reports, PM's etc.) ^{*2}		●
Web Service API (Interface with MAPCON) ^{*8}		●
Graphical Dashboards ^{*2}		●
Extended Employee Information		●
Help Manual attachments		●
Assets	LITE version	PROFESSIONAL version
Equipment Database	●	●
Equipment Bill of Materials (BOM)	●	●
Equipment Specifications (Nameplate, No limit)	●	●
Location Database	●	●
Location Specifications	●	●
Equipment Lubrication Routes ^{*1}	●	●
Active and Work History View	●	●
Equipment Hierarchy (no limit) ^{*1}		●
Equipment Hierarchy Lookup		●
Equipment Revision History ^{*1}		●
Equipment Vendor / Purchase History ^{*5}		●
Equipment / Location Safety Procedures		●
Equipment Certifications ^{*1}		●
Equipment Keyword Groups		●
User defined Equipment Status Codes		●
Meter/Gauge Averages		●
Location Bill of Materials (BOM)		●
Location Layouts		●
Location Hierarchy (no limit)		●
Location Purchase History ^{*5}		●
Cost Center Bill of Materials		●

* Feature is part of an Advanced Module
