

# MAPCON Feature Comparison Chart

## Feature Overview

	LITE version	PROFESSIONAL version
Software-as-a-Service (We host it for you)	●	●
Local Server or Workstation (Runs on your server)	●	●
Web-Enabled Rich Internet Application (Not a Website)	●	●
Smartphones, Tablets, (iPhone, iPad, Android, etc.) <sup>*8</sup>	●	●
Barcode label printing from any workstation <sup>*9</sup>	●	●
Document & Image Attachments <sup>*2</sup>	●	●
MS Excel Importing for quick startup <sup>*3</sup>	●	●
Quick Setup Wizard	●	●
MS Active Directory Integration (Single Sign-On) <sup>*2</sup>	●	●
Tool Control <sup>*1</sup>	●	●
Multiple Sites (Enterprise)	●	●
User-Friendly Report Generator <sup>*3</sup>	●	●
MAPCON Business Intelligence Reporting Tool	●	●
Automatic Email Notifications	●	●
Checklists <sup>*1</sup>	●	●
Interface Module to connect to other applications <sup>*10</sup>		●
Graphical Dashboards <sup>*2</sup>		●
Drag-and-Drop Menu Generator		●
System Scheduler (auto run reports, PM's etc.) <sup>*2</sup>		●
Web Service API (Interface with MAPCON) <sup>*8</sup>		●
Maintenance Management	LITE version	PROFESSIONAL version
Email Work Requests (POP3)	●	●
Complete Preventive Maintenance Control	●	●
Work Orders / Work Requests	●	●
Comprehensive Work Flow: Requests, Orders, Dispatch	●	●
Service Billing - bill selected activities <sup>*7</sup>	●	●
Calendar-Based Work Order Scheduling and Dispatch <sup>*6</sup>	●	●
Employee Timecard Management <sup>*6</sup>		●
Project Management <sup>*1</sup>		●
Safety Procedures		●
Eqp, PM & Safety Procedure Audit Control (ISO, QS, JCO) <sup>*1</sup>		●
Work Order/PM Labor/Materials Planning		●
Asset Management	LITE version	PROFESSIONAL version
Lubrication and Inspection Routes <sup>*1</sup>	●	●
Meter and Gauge Readings		●
Equipment <sup>*1</sup> & Location Hierarchies		●
Asset Priorities (RCM)		●
Equipment Warranty Tracking		●
Storeroom Management	LITE version	PROFESSIONAL version
Cycle Counting/Physical Inventory Counts <sup>*4</sup>		●
Manual Reorder of Parts <sup>*4</sup>		●
Automatic Reordering of Spare Parts <sup>*4</sup>		●
Purchasing Management	LITE version	PROFESSIONAL version
Purchase Orders <sup>*5</sup> /Requests	Requests	●
Receiving, Receipt Returns and Invoicing <sup>*5</sup>	Receiving	●
Multi-Level Approvals <sup>*5</sup>		●
Currency Exchange <sup>*5</sup>		●
Invoice Reconciliation <sup>*5</sup>		●

\* Feature is part of an Advanced Module

## Feature Detail

General	LITE version	PROFESSIONAL version
Multi-User (concurrent user licensing)	●	●
Sortable Lookups with filtering	●	●
MS Excel Import <sup>*3</sup>	●	●
Document & Image Attachments <sup>*2</sup>	●	●
Standard Reports	200+	300+
Email Reports	●	●
Generate Reports to Excel and PDF	●	●
Report Generator <sup>*3</sup>	●	●
Sortable/Filterable Lookups on most fields	●	●
3 Menu Interfaces (Tile, Explorer, and Button)	●	●
Preset Security and Group Profiles	●	●
Manage multiple sites in different time zones	●	●
MAPCON Business Intelligence Reporting Tool	●	●
In-Product Video Tutorials	●	●
Scalable and Editable Security		●
Editable Group Profiles		●
System Scheduler (auto run reports, PM's etc.) <sup>*2</sup>		●
Web Service API (Interface with MAPCON) <sup>*8</sup>		●
Graphical Dashboards <sup>*2</sup>		●
Extended Employee Information		●
Help Manual attachments		●
Assets	LITE version	PROFESSIONAL version
Equipment Database	●	●
Equipment Bill of Materials (BOM)	●	●
Equipment Specifications (Nameplate, No limit)	●	●
Location Database	●	●
Location Specifications	●	●
Equipment Lubrication Routes <sup>*1</sup>	●	●
Active and Work History View	●	●
Equipment Hierarchy (no limit) <sup>*1</sup>		●
Equipment Hierarchy Lookup		●
Equipment Revision History <sup>*1</sup>		●
Equipment Vendor / Purchase History <sup>*5</sup>		●
Equipment / Location Safety Procedures		●
Equipment Certifications <sup>*1</sup>		●
Equipment Keyword Groups		●
User defined Equipment Status Codes		●
Meter/Gauge Averages		●
Location Bill of Materials (BOM)		●
Location Layouts		●
Location Hierarchy (no limit)		●
Location Purchase History <sup>*5</sup>		●

\* Feature is part of an Advanced Module

Quick Report Generator	●	●
MS Excel Import (Eqp, Inv, Vendor, HR)	●	●
Menu Generator		●
Label Editor		●
Quick Report Generator		●
Advanced Inventory Module	LITE version	PROFESSIONAL version
* Lite version of this module coming soon		
Full Inventory Audit		●
Costing Methods (WTVG, LIFO/FIFO, Standard)		●
Inventory Value by Date		●
Issue and Return Tickets		●
Inventory Quantity Tracking(QOH)		●
Manual Reorder		●
Physical Inventory/Cycle Count Control		●
Count/Sort by Aisle/Shelf/Bin		●
Min/Max/Opt/EOQ per Stockroom		●
Stockroom Seeding		●
Non-Valued Parts		●
Inventory Usage Tracking		●
Stockroom Transfers		●
Advanced Aisle/Shelf/Bin Naming		●
Automatic Reorder		●
Inventory Memos		●
Non-Stock Parts		●
Parts Reservations		●
Manual Adjustments		●
Batch Receipts		●
Auto Generate Locations on Stockroom		●
Slow moving Items Report		●
Alternate (cross-reference) parts		●
Vendor specific UOM		●
Revision History		●
Category Codes		●
Advanced Purchasing Module	LITE version	PROFESSIONAL version
Purchase Orders		●
Purchase Order Approval Notification		●

\* Feature is part of an Advanced Module

## MAPCON Feature Comparison Chart

Requisition to Purchase Order conversion		●
Automatically E-mail Vendor once approved		●
Receiving		●
Invoice Reconciliation		●
Standard Paragraphs		●
Change Order Tracking		●
Default Last Price for Vendor		●
Receipt E-mail Notifications		●
Return of Goods Form		●
Over/Under Receiving		●
Hold Open & Blanket Orders		●
Direct Purchase to Equipment/Location/Project/Cost Center		●
Multi-Level Authorizations		●
Foreign Currency Exchange Rates		●
Vendor Statistics (On Time %, Lead %, etc.)		●
Receiving Stocking Report at receipt time		●
Line Item category codes		●
Sales Tax, Freight, etc. Management		●
Automatically update Inventory Vendors when received		●
Approval Required E-mail notifications		●
Reorder notifications emailed		●
Print legal documentation with form		●
Add customizable fields to form		●
Add own Logo to form		●
<b>Advanced Human Resources Module</b>	<b>LITE version</b>	<b>PROFESSIONAL version</b>
Basic Resource Scheduler	●	●
Advanced Resource Scheduler		●
Compensation Codes (shift differential, time off, etc.)		●
Employee Hours		●
Employee Auditing		●
Track Employee Time Off		●
Employee/Craft Rates		●
Timecard Adjustment Tracking		●
Special Pay Codes & Shift Differentials		●
Define Pay rates with multipliers & burdens.		●
Hours Worked, Costs, Attainment Reporting		●
<b>Service Billing Module</b>	<b>LITE version</b>	<b>PROFESSIONAL version</b>
Customer Database	●	●
Billing Report	●	●
Definable Profit Margins	●	●
Profitability Report	●	●
Profit Margins by Service Order		●
Incremental Billing		●
Quotes		●
<b>MAPCON Mobile (Android Phones and Tablets, iPhone, iPad)</b>	<b>LITE version</b>	<b>PROFESSIONAL version</b>
Initiate/Dispatch/Complete Work Orders	●	●
Create Work Requests	●	●

\* Feature is part of an Advanced Module

# MAPCON Feature Comparison Chart

Create /View Equipment	●	●
Scan Barcodes	●	●
Run Reports (User Created too!)	●	●
Add Pictures to Work Requests & Work Orders *2	●	●
View Attachments *2	●	●
Transfer Work Requests into Work Orders	●	●
Work History for Equipment/Locations	●	●
Mobile Notification of Dispatched Work Orders	●	●
Tool Control *1	●	●
Checklists *1	●	●
Mobile Notification of Requisitions Needing Approval *5		●
Mobile Notification of Purchase Orders Needing Approval *5		●
Approve Work Orders/Purchase orders		●
Collect Meter/Gauge Readings		●
Batch Processing (No/Lost connection)		●
Issue / Return Parts *4		●
Add Timecards *6		●
<b>Barcode Module</b>	<b>LITE version</b>	<b>PROFESSIONAL version</b>
Supplied label templates	●	●
Mobile Integration	●	●
Include image with label	●	●
Custom label design by Mapcon Technologies, Inc.	●	●
Batch Equipment labeling	●	●
Batch Inventory labeling	●	●
Support for specialized barcode printers	●	●
Support for standard printers	●	●
Default label / printer configuration	●	●
Work Order Barcoding		●
PM Compliance labeling		●
Equipment labeling from Equipment data entry		●
Inventory labeling from Inventory data entry		●
Batch Cost Center labeling		●
Print Inventory labels at receipt time *5		●
Batch Employee labeling		●
<b>Interface Module</b>	<b>LITE version</b>	<b>PROFESSIONAL version</b>
Export Purchasing and Inventory Transactions		●
Define Exported Columns from predefined templates		●
Define File Format (Excel, Delimited or Fixed ASCII)		●
Transfer Files via FTP		●
Archive Exported Files		●
E-mail Exported Files		●
Manual Batch, System Scheduler Batch or Real-Time modes		●
Define Date, Time, and Numeric Formats		●
Simultaneously Process Multiple Interfaces		●
Gauge/Meter Reading Import		●

\* Feature is part of an Advanced Module

## MAPCON Feature Comparison Chart

Requisition Export Template		•
Customize to fit specific needs		•
Web Service Support (requires custom modifications)		•
